For Immediate Release
September 17, 2007
Burbank, CA

Al Stanley, Chairman of the Board of Flow Solutions Holdings Incorporated, announced today that David Patterson has been named Chief Executive Officer of Ryan Herco Flow Solutions (RHFS) effective November 1, 2007. Mr. Patterson will succeed Frank Gibbs as CEO after Mr. Gibbs retires on October 31, 2007. Former CEO Gibbs will remain active on the Board of Directors at RHFS.

Mr. Patterson earned a B.S. in Finance from the University of New Hampshire in 1987 and has been involved in the process filtration industry for the past twenty years. Mr. Patterson has experience working at both manufacturing and distribution companies, including ten years with Pall Corporation, where he was last employed as VP Sales for a Pall subsidiary, Pall Trincor.

Mr. Patterson left Pall in 1997 to join Flow Solutions, Inc. as Biopharmaceutical Market Manager. After a successful tenure as VP Sales for the company, Mr. Patterson was named President in January 2005. Mr. Patterson remains as President of Ryan Herco Flow Solutions after the merger with Ryan Herco Products Corporation in December 2006.

David, wife Kelly and their four young children live in Danville, CA.
